- END -

Explanation - This amendment removes most of the new funding for the Montana University System research/public service agencies approved by the subcommittee. The original subcommittee amendment added \$1,555,000 general fund for the 2011 biennium and this amendment removes \$1,192,762 general fund in the 2011 biennium. This amendment leaves \$362,238 of the original subcommittee amendment in the budget to adjust an amount that was removed from the Agricultural Experiment Station in the Dec. 15 executive budget.

This amendment removes \$1,038,503 general fund in FY 2010 and \$154,259 general fund in FY 2011.
